- 1) 08/860,182; Jason Morrow's Notice of Abandonment, mailed from USPTO on Aug. 8 and delivered by the German Post Office on Aug. 21. The delivery time is 13 days.
- 2) 10/690,742, Notice of Allowability mailed 08/30/2005

Dear Mr. LeGuyader,

2006-09-18, 2006-08-23

I e-mailed this letter to you via Mrs. Cheryl L. Black (cheryl.black@uspto.gov). But the Postmaster returned it

In ref. to 08/860,182 Mr. Morrow should take account the total delivery time of 17 days into his decision, where I registered mailed to USPTO the amended application on Dec. 23, 2003 and USPTO registered it on Jan. 09, 2004. For back and forth deliveries it would take 34 days plus working-out days, thus exceeding the one-month limit. Would you revoke the Notice of Abandonment please?

In ref. to 10/690,742 USPTO has already charged me \$1,000 for publishing and issuing fees on Sept. 26, 2005, but not yet sent any patent document. Over one year lapses! Furthermore, I have transmitted my inquiry twice to Mail Stop ISSUE FEE whether I must pay any maintenance (renewal) fee in advance. Up till now they don't reply. Would you please investigate what was wrong?

I greatly appreciate your help and thank you for your attention and help in advance.

Kind regards

Go
